Turnkey Solutions, LLC is a certified 8(a) and EDWOSB, nationally recognized consulting firm founded in Atlanta, GA in 2002. Over the last 22 years, 98% of our business has been with public sector organizations and utilities. Services include customer experience consulting, staff augmentation, business process documentation and re-design, technology implementation (via readiness, requirements, and process assessments), contact center planning and buildout/implementation, and support (via project management and delivery services as well as training design and delivery). Our training services include both instructor-led training (ILT) and remote training for staff, management and supervisory levels, and executive leadership.

MISSION

Our mission is to be the premier citizen experience partner for the public sector and utility markets, unlocking doors of opportunity by increasing trust in government and utilities through providing greater transparency, better understanding of citizen needs, streamlined processes, improved technology, and greater employee awareness.

HIGHLIGHTS

- Over 4,000 learners over the past 22 years within public sector organizations and utilities
